

Find Where It's Written

SCRIPTURE

“Jesus answered, ‘It is written...’ ”
(Matthew 4:4, NIV)

Anytime you are facing adversity or trials, the first line of defense needs to be in your mind. If you allow fear to come in and take root in your thinking, it becomes a stronghold that affects every part of you. But when thoughts of fear come, you don't have to “sign for the package,” so to speak. Instead of activating fear by meditating on it, believing it and speaking it, you can turn things around and activate faith.

How do you activate faith? Hebrews tells us that the Word of God is living and active, sharper than a double-edged sword, able to divide soul and spirit. When the enemy tried to tempt Jesus, He gave us the example of how to respond. He said, “It Is Written!”

Instead of going through the day worried, thinking about how it's not going to work out, start meditating on what God says. Activate faith by speaking the Word of God. Let it sink down inside of you and transform your being. Always remember, His Word is alive, His Word is truth, His Word is your weapon. So take hold of His promises and find where it is written!

PRAYER

Father, thank You for Your Word which lights my path and transforms my life. I choose today to turn my thoughts toward You. I choose today to meditate on Your Word and Your promises so that I can be empowered to live in the victory You have prepared for me in Jesus' name. Amen.
