

Resurrection Power

SCRIPTURE

“...He is risen from the dead, just as he said would happen...”
(Matthew 28:6, NLT)

We have a reason to celebrate life every single day because the God we serve is alive. His resurrection power didn't end on the cross 2000 years ago; His power is still at work today. Not only did He resurrect Jesus from the dead, but He wants to extend His resurrection power into every single area of your life, too.

Maybe you have a dream to get out of debt, pay off your house or be free from a burden of lack, but it looks impossible. Business is slow. The economy is down. You've gone as far as your education allows. But God is saying, "I'm not limited by those things. I've got resurrection power. I can give you one break that will thrust you to a new level. I can open up doors that no man can shut. I can bring talent out of you that you didn't know you had. I can cause people to go out of their way to want to be good to you for no reason."

Today, get your hopes up. Get your expectancy up. Remember, He is risen, and He is alive. There's a shift coming, and He is faithful to His Word. Let His resurrection power flow in every area of your life!

A PRAYER FOR YOU

Father, thank You for Your resurrection power at work in my life. Today, I give You my broken dreams, disappointments, failures and setbacks, and I trust that You will breathe Your life into me. I trust that You have a good plan for my future, and You are leading me into total victory in Jesus' name. Amen.
