

The Same Favor

SCRIPTURE

“Jesus Christ is the same yesterday, today, and forever.”
(Hebrews 13:8, NKJV)

One of the reasons it's so important to know the Word of God is not only to learn His promises and His ways, but to understand His character. What He's done for others, He will do for you. The same God who displayed His favor in the Bible is still at work today. I believe God wants to flood you with the same favor He flooded Joseph, Abraham and Elijah with. I believe He wants to open new doors, line up supernatural appointments, and bring new increase and provision. The question is, are you ready to receive it? Can you see it with your eyes of faith?

Today, know that our God is the same yesterday, today and forever. He is with you and for you. Even before you see things turn around, believe that He is working on your behalf. And when He pours out His favor, it won't be just a drizzle; it's going to be a flood — a flood of ideas, a flood of good breaks, a flood of talent. Keep believing, keep hoping and keep praising because the same favor that was in the Bible is coming your way!

A PRAYER FOR TODAY

Father, thank You for Your favor and blessing which is available to me each and every day. I turn my heart and mind toward You. I submit my ways to You knowing that You are faithful. I open my heart to receive everything You have in store for me in Jesus' name. Amen.
